

# Huawei AI registration

1- <https://e.huawei.com/en/talent/ict-academy/#/become-ict-student>

The screenshot shows the 'Huawei Talent' website with the URL <https://e.huawei.com/en/talent/ict-academy/#/become-ict-student>. The page title is 'Become Student'. There are three main steps: 1. Create a Huawei Account, 2. Associate with an ICT Academy, and 3. View Approval Progress. Step 1 has a red circle with the number 1. Step 2 has a red circle with the number 2. Step 3 has a red circle with the number 3. A note at the bottom right says: "The class invitation code is a string of digits and letters generated by the system when your instructor starts the class. It is used for verification when you join the class." A 'Contact Us' button is also present.

2- Click here

The screenshot shows the same 'Huawei Talent' website as above. A callout arrow points to the 'click here' link in the 'Create a Huawei Account' section of step 1. The 'click here' link is highlighted with a red circle.
